hello, I'm Tuan and usually play at WCRC.

I tried playing at GF a few times, the table rate is quite decent but it is a bit far away from my home. Maybe we can have a short gathering session to meet sometimes guys!

Anyway, I love carom but too bad, no carom in Singapore!

Hi! Cuesports used to have one table before. I did play a bit as well, learning from Alan ong and one to two other players. It is very difficult.

Anyway year, now no more carom table :S

ehh.. harmless.. long time no play...

Re:Hello ~~

Posted by Harmless - 2008/08/16 21:07

Yah.. Was thinking of setting up a gathering like how last time we did at old champz. Maybe we can have a voting here to see who can make it?

=====

Re:Hello ~~

Posted by thiotimeline - 2008/08/20 09:01

Gathering is good idea, to make new friends and to learn different styles of playing and get more tips and tricks on pool.

Currently, there's a weekly sat gathering @ Gamesfusion 12-6pm. However I noe some may find it too far, so perhaps can set a more centralised place eg. champz/klassic?
