Re:Gossip Pub 8 Ball Champion of Champions Tournament

Posted by leese89 - 2009/03/19 01:04

Well, I do hope that this will be a success. I can then organize a much bigger event with lots and lots of money to fight for.

At least I can try to keep the interest of the sport going as there is no world 8 ball and world 9 ball and no Guinness for this year.

Re:Gossip Pub 8 Ball Champion of Champions Tournament

Posted by saman_tha_ - 2009/03/19 01:11

Nikkido: agreed. pay 30bucks to win 600 plus the drinks also, wha. good! *chuckles*

leese: yes. please do! =) no world 8&9ball? no guinness?! sighs. thats not good.

Re:Gossip Pub 8 Ball Champion of Champions Tournament

Posted by AhMok - 2009/03/19 01:16

i mean tournaments that are not in pubs are usually 9-ball mah. Hardly see non-pub 8-ball tournaments around =)

Having no world competition is not good... but the WPA calendar has the dates already listed down so i'm quite blur where there would be world competition going on still...

=====

Re:Gossip Pub 8 Ball Champion of Champions Tournament

Posted by saman_tha_ - 2009/03/19 01:18

yeah. true. most tournaments are 9ball.

WPA calendar has the dates already listed? oooo. but maybe singapore might not be attending this year? thats probably

what leese89 meant. *shrugs*

Re:Gossip Pub 8 Ball Champion of Champions Tournament

Some of the players went down on Saturday to test the tables and the one comment made is that the band there was simply great.

We requested for "Hotel California" by Eagles, and they played it so well especially the lead guitarist that all of us wanted to back just to listen to the band.

So, you can sign up, play in a pool tourney and listen to a great band as well.

Simply fantastic value.

Cheers

the guitarist is massive fast. stunts and all.

overall, the pub was a little quite, but a pretty nice atmosphere.

Glad you liked the band. I did say that the guitarist was excellent.

The male singer is actually alot better than what he did last night. Maybe the next time we go down he will do much better.:cheer:

In any case, comeon, fellow poolkhakis, there are still quite alot of places left in the tourney. Come join us for some fun and try to win the prize money put up there.:)

Many thanks.

Hi all,

I wish to inform everybody that due to the lack of players and the sudden withdrawal of players due to economic factors, the tournament at Gossip pub has been cancelled.

After deliberating for a long while, it was decided that we should not continue with the tournament.:(

I also wish to advice everybody to go down personally to Gossip Pub to collect your refund for the tournament. :blush:

With regrets,

leese89
