
Retirement from Pool Tournament

Dear Friends and Players

After hosting Pool Tournament for almost 3 years and with my long hours in my career, I have decided to retire from hosting Pool Tournament.

It is good to know that my mentor, Mr Philip, is back on the Pool scene. I have spoken to him about his comeback and my intention of retirement.

"The Champion of the Champions" was a successful tournament!

I believe he will be able to deliver more tournament ideas and bring more life to the Pool scene.

In the future, if he needs my help in anyway, I will not hesitate to do so.

I hope friends and players do keep supporting his events.

Last but not least, I sincerely like to thank you each and everyone of you, including Poolfanatic, Poolkhakis, GF Billiards, West Coast Billiard Saloon, Home of Pool, Klassic and all players for your past supports and trust in my works.

With Blessings

Mr Ng
